

Enrique Morente. Transcribed by David Leiva. Score

27.40 €
29.75 USD

"Enrique Morente, guitar tab con voz" book give the continuity to the collection Grandes Maestros del Cante Flamenco, being the first transcription of his work. The transcription are full, showing melodic lines of the sing, the accompaniment and falsetas of the guitar.

The sing melodic lines show that all the notes and the main "melismas" accompanied by lyrics, useful transcriptions for melodic instrumentalists. The guitar's voice is written in note and tablature showing the accompaniment and falsetas, even the 2d voice is transcribed.

The guitars shown as master accompanist are the ones of Félix de Utrera, Niño Ricardo, Sabicas, Pepe Habichuela, Isidro Sanlúcar and Tomatito.
