

○ Mario Escudero. The Glory of the Flamenco Guitar. Score Book + Cd

34.62 €

37.06 USD

Mario Escudero is one of the great flamenco concert guitarists of all time. Nime of his most important compositions are published in this book, including the buleria ímpetu wich is widely regarded as a masterpiece of flamenco ahead of its time and which was recorder and brought to the international audience by Paco de Lucía.

Escudero worked alongside the most outstanding artistes of his day, Vicente Escudero, Ramón Montoya, Tomás Pavón, Niña de los Peines, Mairena, among others.

The CD also features an interview with him recorded for radio

Format: A4
