

## 🟡 Turquoise Flamenco Apron with White Dots and "Madroños"

**20.00 €**  
**21.44 USD**

With our aprons you can dress flamenco style in the kitchen.

We offer a wide range of aprons with dots in many colours, highly flamenco stylish.

Made with a polka dot pattern with three small ruffles from the same material and finished with vividly coloured "madroños" (small decorative balls) that makes this apron really outstanding. It has a strip round the neck and two strips to tie it round the waist.

Measured approximately from the neck to the end of the lower ruffle:

Size: 88 cm.
