

## Red Flamenco Apron with Black Dots and "Madroños"

**20.00 €**  
**21.3 USD**

Get dressed like a typical flamenco lady in your kitchen.

A wide range of original aprons, highly flamenco stylish. With this apron you will be able to dance "sevillanas" or "rumbas" while cooking.

Made with a polka dot pattern with three small ruffles from the same material and finished with vividly coloured "madrornos" (small decorative balls) that makes this apron really outstanding. It has a strip round the neck and two strips to tie it round the waist.

Measured approximately from the neck to the end of the lower ruffle:

Size: 88 cm.
