

Flamenco Apron Canastera - Red

21.90 €

23.6 USD

The apron looks like a flamenco dress.

A wide range of original kitchen aprons, highly flamenco stylish. With this apron you will be able to dance "sevillanas" or "rumbas" while cooking.

Made with a polka dot pattern with three small ruffles from the same material and finished with a vivid colour ending. It has a strip round the neck and two strips to tie it round the waist.

We do not admit any change of this item.
