

Individual Tablecloth - Model Ladybird

5.54 €
5.97 USD

This is a set of an individual tablecloth and a napkin in the same colour.

If you do not want to lay your table with a large tablecloth and all other necessary complements, you can use these individual tablecloths which will give to your table a special colour and a flamenco rhythm.

These individual tablecloths are very comfortable when having breakfast or if you like eating with a tray while watching TV. Although it is not very suitable for formal meals, you can eat with your individual tablecloth and the napkin in the same colour.

Made of material with polka dots, typically Spanish design.
