**15.21 €** <sub>16.47 USD</sub>

12 tracks soaked in the exotic flamenco and blues cocktail, among them a rendition of Take Five, the best-selling jazz single of all times. Raimundo Amador is one of those artists who gives it all and makes his guitar talk, He's a gipsy, a honest and gentle man with a naughty face who expresses himself naturally through music. He's got a genius inside and that makes him unforgettable.
