1989. 'Soy gitano', first gold disc for Camarón de la Isla in Spain (over 50.000 copies sold). It is no secret that Camarón set a before and after in the flamenco history in Spain. He was a cante revolutionary and his contributions to flamenco are countless, and many of them acted as breeding ground for many other singers that were to come after him.

Palos:

Bulerias - Alegrías - Bulerias por Seguiriya - Fandangos - Rumbas - Tangos
