10.33 €

11 USD

It was in 1990 when Ketama released 'Y es ke me han kambiao los tiempos', immediately achieving success among other flamenco musicians, a genre which they've enriched through a mixture of pop and Latin rhythms. Let's not forget that Ketama spearheaded this flamenco-pop mix known as New Flamenco, almost 15 years ago.

Palos:

Bulerias - Rumba - Bulesalsa - Sevillanas - Solea - Tangos
