5. Casapuerta (Toná y Seguiriya)
6. Pastora Holiday (Tientos y Tangos)
7. Chasqueona (Bulería)
8. S.O.S.

Mayte Martín is a different kind of Flamenca. The same can be said about the bulerías she sung in *Muy Frágil*, an album through which she marks her differences between her and other Flamenco cantaores and their cante. The Catalanian cantaora is open to many different styles and has fun experimenting, which is why many say 'she sings it all and all she sings well.' She is well established as a lady of Flamenco and her musicality, gentleness and qualities allow her to go further than any label or tag can put her.

Besides being a talented cantaora she is also an exceptional guitarist and Flamenco composer.

**Palos:**

Bulerias - Alegrias - Cartagenera - Granaina - Seguiriyas - Tangos - Taranta - Tarantos - Tientos - Tona

**Artists**

Chicuelo - Mayte Martin
