

○ Flamenco guitar Step by Step. Vol 1. Basic technique I. by Oscar Herrero. Dvd

34.09 €
37.03 USD

For anyone who wants to become initiated in the flamenco guitar and to learn basic technique, Óscar Herrero explains each technique at length, movement after movement, including every detail. In this volume, he looks closely at the posture in which one should sit and how to hold the guitar, the position of the right hand, the thumb and thumb-index techniques, strumming with simple percussions, blows, strumming with blows, strumming without the thumb, flamenco tangos, picado (technique used during the melodic guitar playing section, in which the same string is touched with the index and middle finger alternately, and produces an acute sound), picado falseta (variation) in a tango style and the meter of the soleá. It comes in Spanish, English, French and Japanese versions, and includes a booklet in standard notation and guitar tabs. Length: 68 minutes.

The DVD is full compatible with all countries (PAL and NTSC).

Four languages included Spanish, English, French and Japanese.

Video PAL system for European countries.

Video NTSC system for American and Asian countries.
