

## Sevillanas training method by Paul Martinez

**25.00 €**  
27.24 USD

[Sevillanas](#) training method. Didactic book to learn the characteristics of the traditional and popular flamenco style. The times, the rhythms and "rasgueados", are some significant chapters of this book. This is a very complete guide with a lot of illustrations, singing accompaniment tables and "tablatura" scores. All the themes and exercises are included on the CD. Download available on [www.apmusica.es](http://www.apmusica.es)
