

Osborne Bull Luggage Identifier

3.02 €
3.22 USD

If you are looking forward to travelling and need to find your luggage quickly when it's on the conveyor belt, then you need our fun **luggage identifier**.

One of its faces has a transparent window with a lateral opening, where the traveller can introduce a card with personal information.

The other face depicts the Osborne Bull in black colour on red background. Thanks to this identifier, you will be the first passenger to find your luggage!

Measures: 10.5cm X 6.5cm.
