

○ Banderillero figure. 20cm

Banderillero figure made in resin, measurement 20cm.

The Banderillero, called as well "rehiletero" is the bullfighter who, during the second third of the fight, is the protagonist and put the banderillas. Normally, the luck of the banderillas belongs to the men who go with the bullfighter. They appear three by three and their task is to push in the head bull at least two pairs of banderillas.

Measurements: 20cm
