Hair combs are simple yet very elegant accessories to add a touch of glamour to any hairstyle or outfit, specially on your wedding day. And who wouldn't like to look like a princess on her wedding day? You wear the comb to hold the veil, but you can also wear it after the ceremony or meal, once it is time to have fun on the dance floor and to take off your veil. These combs are made of alloy steel. They are then polished and bathed (European norms and anti-allergic), and given a rhodium finish to add a strong shine. At the end, some crystals from Swarovski are added to transform them into a classy and elegant piece of jewelry.

Measurements: 14 cm x 3 cm

Little comb (tooth): 6 cm
